

## Canoe Club Christmas Lunch - 1st December, Jolly Coopers

This year we are planning a **super sociable Christmas** gathering for you all.

We have booked The **Jolly Coopers** restaurant (pub round the corner from the club)

The plan is to arrive between **12 and 12:30** so that people can paddle before if they wish.

Food from **1:00pm** which will be a fantastic spread of tapas food. If you don't already know The Coopers specialises in tapas. The food will be laid out tapas style allowing people to mill around, sit down and hopefully be a bit less static and hemmed in than usual.

If we have 25 or more people booking, which we ought to easily do, than they will book out the whole restaurant area for us; which will be like a private party.

Here is an idea of the great selection of food they have and price is likely to be between **£20 and £25/head**.

More details to follow sooner the time.
