

# The Hamptoneers' New Year's Day Paddle

1st January 2019

1. paddle along the placid Wey to the Anchor pub
2. eat lunch with your paddling pals
3. paddle back

What a fantastic plan!

Start from New Haw (two miles each way and no portages). Or start from Black Boy Bridge in Weybridge and enjoy more miles and some portages. You can even go beyond the Anchor to Walsham – adding some distance and another portage.

What's the objective? LUNCH, of course, at 12:15 (don't be late). The pub will be busy or it may be totally rammed. Twenty places have been booked and the deposit paid. These fantastically valuable places will only be available to the first 19 people who tell me, unconditionally, that they are coming **AND** pay me the £5 deposit **AND** select their menu choice from the pub's website before 23 December.
